EDUCATION

Ashesi University College
BSc. Computer Science
Cumulative GPA: /4.00

Berekuso, Eastern Region
Expected Date of Graduation: Aug 2028

ACHIEVEMENTS/AWARDS

The MasterCard Foundation Scholar Program Scholarship, Ashesi University **Sept – Aug 2028**
The Baret Scholars Program Scholarship
April 2024

WORK EXPERIENCE

NOVA Services Ltd– Kigali, Rwanda **Sept – Nov 2023**
Software Developer Intern

- Built and deployed full-stack websites for 3 schools and back-end systems for multiple organizations using PHP, SQL, HTML, and CSS.
- Designed and developed a web-based Logic Simulator application that enabled students to visualize and interact with circuit logic in real time.
- Facilitated programming workshops for 40+ students during the Nova Summer Program, covering Python and web development fundamentals.

Norf Cr8tions– Musanze, Rwanda **Jan 2026 – Present**
Full-stack Developer

- Collaborate with a development team to build and deploy responsive websites and digital solutions for clients across multiple industries.
- Conduct systematic testing and debugging cycles to ensure high-quality, error-free application delivery for every client project.
- Independently research and apply emerging web technologies and frameworks to continuously improve the quality of client deliverables.

PROJECT AND RESEARCH

Extern– Remote
Marine and Community Conservation Extern **Sept 2025 – Present**

- Conducted field research and stakeholder interviews to investigate the impact of plastic waste on Lake Kivu's ecosystem and surrounding communities.
- Collected and analyzed raw environmental datasets to identify key waste patterns and generate actionable insights for community intervention.
- Designed, developed, and presented a Story Map on the research findings using ArcGIS.
- Secured seed funding for the project after successfully pitching the proposed solution through a competitive selection process supported by National Geographic.

CO-CURRICULAR ACTIVITIES

Ashesi University College, Counselling Team **Sep 2025 – Present**
Peer Counsellor, Volunteer

- Provide psychological first aid to students in need.
- Bridge the school counselling staff and the student body
